TRANSMITTAL OF SUBSTITUTE DECLARATION OF INVENTORSHIP

Box No-Fee Amendment
Commissioner for Patents
Washington, D.C. 20231

Sir:

Transmitted herewith is a substitute Declaration of Inventorship signed by each of the named inventors in the above-identified application. This substitute Declaration is being filed to correct an inadvertent omission in the original Declaration filed on March 8, 2002. Namely, the original Declaration did not claim the benefit of co-pending U.S. Provisional Patent Application Serial No. 60/296,882 filed on June 7, 2001, whereas the attached substitute Declaration does.

A Preliminary Amendment to the specification of the above-identified application making the same claim of priority is being filed herewith.
